

SBSAC information for applicants wishing to teach part-time.

**School of Biological Sciences and Applied Chemistry, information for applicants for part-time teaching positions.**

The following web-pages may give useful information to applicants. Please consider the information carefully before applying to the school for part-time teaching.

**School website:**

---

<http://biochem.senecac.on.ca>

**Course websites:**

---

**AST:** Applied Science and Technology Fundamentals <http://www.senecac.on.ca/fulltime/AST.html>

**BIF:** Bioinformatics <http://www.senecac.on.ca/fulltime/BIF.html>

**BTR:** Biotechnology Technologist (Research) <http://www.senecac.on.ca/fulltime/BTR.html>

**CLT:** Chemical Laboratory Technician <http://www.senecac.on.ca/fulltime/CLT.html>

**CLP:** Chemical Laboratory Technology – Pharmaceutical <http://www.senecac.on.ca/fulltime/CLP.html>

**RAQ:** Pharmaceutical Regulatory Affairs and Quality <http://www.senecac.on.ca/fulltime/RAQC.html>

**CHY:** Chemical Engineering Technology <http://www.senecac.on.ca/fulltime/CHY.html>

Some course codes appear with an appended “C”, which indicates an optional coop module.

**Information on individual courses:**

---

On each of the above “course websites” clicking on the “curriculum” link on the left-hand frame will take you to a list of required courses. Clicking on each course link will take you to a brief description of the course.
